Team Norms Team Project 2

- Two Weekly (in-person or online) meetings to keep group closely aligned on goals for team project

- Update the group if you are not able to meet beforehand

- Speak up if you need clarification or help

- Do not take shortcuts

- Take proper time to work on team projects

- Respond within 24 hours to the team group chat to keep communication open
  - This change was made to make sure that problems were addressed and changes to our schedules could be corrected quickly and efficiently

- Triple check with teammates to check which version is being pushed to the git
  - This change was to be a safeguard to protect our files
